

U.S. General Services Administration

## KwikSPACE Guam, Inc.

### Federal Supply Service Authorized Federal Supply Schedule Price List

On-line access to contract ordering information, terms and conditions, up-to-date pricing, and the option to create an electronic delivery order are available through GSA Advantage!, a menu-driven database system.

The INTERNET address for GSA *Advantage!* is [GSAAdvantage.gov](http://GSAAdvantage.gov).

**SCHEDULE TITLE:** Federal Supply Schedule 056 –Building and Building Materials / Industrial Services and Supplies

FSC Group 56: Industrial Services and Supplies

**CONTRACT NUMBER:** GS-07F-0019X

For more information on ordering from Federal Supply Schedules click on the FSS Schedules button at [fss.gsa.gov](http://fss.gsa.gov).

**CONTRACT PERIOD:** October 1, 2010 through September 30, 2020

**CONTRACTOR:**

KwikSPACE Guam, Inc.

256 Marine Corps Dr. Rte 1

Piti, GU 96915

(P) 671-479-5945

(F) 671-479-0900

**CONTRACTOR'S ADMINISTRATION SOURCE:**

[kwikspace@teleguam.net](mailto:kwikspace@teleguam.net)

**BUSINESS SIZE:** Small

**CUSTOMER INFORMATION:**

**1a. TABLE OF AWARDED SPECIAL ITEM NUMBERS (SINs)**

SIN	DESCRIPTION
-----	-------------

<u>SIN 361-50:</u>	Leasing of Pre-Engineered/Prefabricated Buildings and Structures
--------------------	--

<u>SIN 361-51:</u>	Lease/Rental of Pre-Engineered/Prefabricated Restrooms and Utility Rooms
--------------------	--

SIN 361-30: Ancillary Services relating to Pre-Engineered/Prefabricated Buildings and Structures

**1b. LOWEST PRICED MODEL NUMBER AND PRICE FOR EACH SIN:**

SIN	MODEL	GSA PRICE with IFF
SIN 361-50:	SU20 4-6	\$284.13
SIN 361-51:	KS20PL4-6	\$2,367.76
SIN 361-30:	KSMOB20CON	\$549.32

Identify the lowest priced model number and lowest GSA price with IFF for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have GSA prices with IFF based on the geographic location of the customer, should show the range. Contracts with services only should state "N/A Services Only".

**1c. HOURLY RATES:**

N/A

**2. MAXIMUM ORDER:**

SIN 361-50: \$300,000.00

SIN 361-51: \$300,000.00

SIN 361-30: \$150,000.00

If the best value selection places your order over the Maximum Order identified in this catalog/pricelist, you have an opportunity to obtain a better schedule contract price. Before placing your order, contact the aforementioned contractor for a better price. The contractor may (1) offer a new price for this requirement (2) offer the lowest price available under this contract or (3) decline the order. A delivery order that exceeds the maximum order may be placed under the schedule contract in accordance with FAR 8.404.

**3. MINIMUM ORDER: \$100.00**

**4. GEOGRAPHIC COVERAGE: GUAM ONLY**

**5. PRODUCTION POINT: Piti, Guam**

**6. DISCOUNT FROM LIST PRICES:**

GSA pricing with IFF is listed in the pricing tables below

For calculation of the GSA Schedule price (price paid by customers ordering from the GSA Schedule, and the price to be loaded into GSA Advantage), the contractor should deduct the appropriate basic discount from the list price and add the prevailing IFF rate to the negotiated discounted price (Net GSA price). Current IFF rate is 0.75%.

The final Schedule contract award price is calculated as follows: Negotiated price divided by (1 minus .0075) which equates to Negotiated price divided by 0.9925. Example: (\$100,000 / 0.9925) = \$100,755.67

**7. QUANTITY/VOLUME DISCOUNTS:**

+2%(8%T) 6-10 Units  
+5%(11%T) 11-20 Units  
+9%(15%T) 21 Units & Up

**8. PROMPT PAYMENT TERMS:** 0%, Net 30 Days “Information for Ordering Offices: Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions”

**9a.** Government Purchase Cards must be accepted at or below the micro-purchase threshold.

**9b.** Government Purchase Cards **are not** accepted above the micro-purchase threshold.

**10. FOREIGN ITEMS:** NONE

**11a. TIME OF DELIVERY:**

SIN 361-50: 30 Days After Receipt of Order (ARO)

SIN 361-51: 30 Days After Receipt of Order (ARO)

SIN 361-30: 30 Days After Receipt of Order (ARO)

**11b. EXPEDITED DELIVERY:**

Determined at Task Order Level

**11c. OVERNIGHT AND 2-DAY DELIVERY**

PLEASE CONTACT KWIKSPACE GUAM, INC. FOR AVAILABILITY & DETAILS

**11d. URGENT REQUIREMENTS:**

PLEASE CONTACT KWIKSPACE GUAM, INC. FOR AVAILABILITY & DETAILS

**12. FOB TERM:**

ORIGIN- Prepay and Add

**13a. ORDERING ADDRESS:**

KwikSPACE Guam, Inc.  
P.O. Box 3278  
Hagatna, GU 96932  
(P) (671) 479-5945  
(F) (671) 479-0900

**13b. ORDERING PROCEDURES:** For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPA's) are found in Federal Acquisition Regulation (FAR) 8.405-3.

**14. PAYMENT ADDRESS:**

KwikSPACE Guam, Inc.  
P.O. Box 3278  
Hagatna, GU 96932  
(P) (671) 479-5945  
(F) (671) 479-0900

**15. WARRANTY PROVISIONS:**

PLEASE CONTACT KWIKSPACE GUAM, INC. FOR WARRANTY, RETURN & RESTOCKING POLICY AS APPLICABLE TO RENTALS

**16. EXPORT PACKING CHARGES:**

NOT APPLICABLE

**17. TERMS AND CONDITIONS OF GOVERNMENT PURCHASE CARD ACCEPTANCE:**

ACCEPTED AT OR BELOW THE MICRO-PURCHASE THRESHOLD

**18. TERMS AND CONDITIONS OF RENTAL, MAINTENANCE, AND REPAIR**

N/A

**19. TERMS AND CONDITIONS OF INSTALLATION:**

PLEASE CONTACT KWIKSPACE GUAM, INC. FOR AVAILABILITY & DETAILS

**20a. TERMS AND CONDITIONS OF REPAIR PARTS INDICATING DATE OF PARTS PRICE LISTS AND ANY DISCOUNTS FROM LIST PRICES:**

N/A

**20b. TERMS AND CONDITIONS FOR ANY OTHER SERVICES:**

N/A

256 Marine Corps Dr. Rte 1  
Piti, GU 96915  
(P) 671-479-5945  
(F) 671-479-0900

**22. LIST OF PARTICIPATING DEALERS:**

NONE

**23. PREVENTATIVE MAINTENANCE:**

PLEASE CONTACT KWIKSPACE GUAM, INC. FOR AVAILABILITY & DETAILS

**24a. SPECIAL ATTRIBUTES SUCH AS ENVIRONMENTAL ATTRIBUTES (e.g. recycled content, energy efficiency, and/or reduced pollutants):**

NONE

**24b. SECTION 508 Compliance for EIT:** N/A or if applicable, indicate that Section 508 compliance information is available on Electronic and Information Technology (EIT) supplies and services and show where full details can be found (e.g. contractor's website or other location.) The EIT standards can be found at: [www.Section508.gov/](http://www.Section508.gov/).

N/A

**25. DATA UNIVERSAL NUMBER SYSTEM (DUNS) NUMBER:** 85-502-4311

**26. NOTIFICATION REGARDING REGISTRATION IN SYSTEM FOR AWARD MANAGEMENT (SAM) DATABASE:** Registration active

## **KwikSPACE Guam In. Patents & Trademark Highlights/Points:**

### **KwikSPACE Modular Multimodal Mobile Units (Typhoon/Hurricane/Cyclone Proof)**

#### **Patents & #'s:**

- Wind Resistant Modular Building (**US Patent No. D683,047S May 21, 2013**)
- Wind Resistant Modular ISO Building (**US Patent No. US 8,640,396 B1, February 4, 2014**)
- Wind Resistant Modular ISO Building (**US Patent No. 9,068,370 B1, June 30, 2015**)
- Wind Resistant Modular ISO Building (**US Patent No. D727,531 S, April 21, 2015**)
- Wind Resistant Modular ISO Building (**US Patent No. 9,003,716 B1, April 14, 2015**)

#### **General Highlights:**

This is the first time that a customized Modular ISO container design is fully manufactured at one location, and then delivered as a completed product with no further construction on site necessary. The patented KwikSPACE modular multimodal units are fully equipped to be dropped in remote locations to serve any purpose. Competitors usually have to construct and finish Modular units on site. The KwikSPACE units are delivered on site complete and have a "plug and play" retrofit, meaning that sewer, and power can be easily hooked up by the user.

#### **General Points:**

- All exterior and interior components of the units meet both the extreme Seismic Design (Category D) and Typhoon/Hurricane/Cyclone Wind Loads (170 mph)
- The units are designed to be habitable (with multi-purpose usage) and can remain occupied and operational after major seismic events and during typhoons.
- The office units may be considered as "portable permanent structures" that are adaptable to any site condition and location, even remote and disaster prone regions.
- Once placed on site, the units can connect to utilities (permanent power, water, and sewer)
- Any size, configuration and use can be manufactured to the customer's recommendations.
- Unlike other office units that are classified as "temporary structures" (typically rated 75 mph wind speeds), the KwikSPACE units do not have to be removed or taken off site in the event of an impending disaster or when expectant wind speeds approach 75 mph.
- Rapid mobilization/demobilization: a secured unit can travel 65 mph across a highway
- The units come freshly cleaned and painted with everything you need to be productive and comfortable for any industry. Container features include features that are typical of any home, office, kitchen, bathroom etc...
- This design can be used to recover from disaster and can be situated in any remote location: disaster zones, swamps, desert, flood zones, rivers, water, un-even ground and much more. The KwikSPACE modules can be stacked and each corner connection is capable of 27,000 lbs in tension.
- Other current "disaster relief" units are prone to disasters and environmental hazards themselves, putting the tenants and surrounding area at risk. The KwikSPACE modular, multimodal units are the solution for extreme weather disaster zones, while other modular units become a problem.

# **KwikSPACE Guam Inc. Footings (Typhoon/Hurricane/Cyclone Proof)**

## **Patents & #'s:**

- Twist Lock Portable Building Footing (**US Patent No. 8,769,893 B1, July 8, 2014**)

## **General Highlights:**

The KwikSPACE units are anchored to patent pending (will receive official patent at the end of February 2014) reinforced concrete foundation blocks that resist overturning during major typhoon wind rated to 170 mph. Footings that are poured in place are very site specific in addition to costly, thus it is restricted to a one use one time. KwikSPACE footings are individually mobile and adjustable to any terrain and site location.

## **General Points:**

- Footings are mobile products that are not restricted to one use and one location.
- Footings resist overturning during major typhoon wind rated to 170 mph.
- Product is tested and designed to withstand typhoons, hurricanes and cyclones.
- Footings are individually mobile and have a vertically adjustable option
- Product has multiple uses for any location.
- Specifically designed for heavy industrial.
- Footing has an interchangeable top piece, giving users an option to utilize various attachments to adjust for height and angle misalignment based on the use, and sites physical features.
- Minimal time is required to prepare a site for the footings.
- Ideal for environmentally sensitive sites, where little to no site work can be done.

# **KwikSPACE Guam Inc. Solar Panel Devices (Typhoon/Hurricane/Cyclone Proof)**

## **Patents and #'s**

- Solar Panel Device for an ISO Cargo Container (**US Patent No. 8,839,574 B1, September 23, 2014**)

## **General Highlights**

This KwikSPACE solar panel device allows solar panels to be mounted onto ISO cargo containers. This enables the containers to have the capability to generate electricity. This mounting device is secured through a base frame with two solar panel support frames able to support multiple solar panels. This base frame also allows the solar panels to pivot via a pivoting solar panel support frame, a support plate, and a hinge and jacking device in order to capture the sun throughout the day. The support plate can either be a horizontal solar panel support plate or an angled solar panel support plate.

## **General Points**

- Due to its intricate mounting construction, this device securely mounts the solar panel to the top of the ISO cargo container.
- Device is able to have the solar panels pivot in order to capture sunlight at any time of day.
- Due to the fact that the container can now generate electricity, electrical devices can now be in use within the ISO cargo container.
- The diversity of the support plates allows the solar panel to be mounted in a variety of ways.
